Jacksonville, FL, December 4, 2020 – Christina Levine, a fifteen-year resident of Jacksonville, joins River Garden Foundation as its Chief Development Officer. Credentialed as a Certified Fund-Raising Executive (CFRE), Levine brings proven expertise in fund-raising, membership, event planning and volunteer management to the agency. Levine is enthusiastic to be a part of the legacy River Garden has created. “River Garden is a wonderful community asset and contributing to the success of this award-winning senior care organization is professionally and personally important to me. I look forward to nurturing community bonds and increasing philanthropic giving to support the families who seek high quality, innovative care. I am thrilled to join the River Garden team,” she says.

“Christina is the perfect person to lead the Foundation into the future. She is an accomplished leader in her field and she will play an essential role identifying and securing the resources our agency needs to continue serving our community with excellence. We are delighted that Christina has chosen to join us,” says Martin Goetz, River Garden’s CEO.
