KICK-EEZ® Sorbothane® RECOIL INSERTS

are the ultimate solution for anyone looking to add an extra layer of protection against recoil. These inserts have been designed to fit precisely into the KICK-EEZ® SLIP-OVER RECOIL PAD, but can also be easily incorporated with other popular "slip-on" style recoil pads (can be trimmed to fit if necessary). The KICK-EEZ® RECOIL INSERTS are made from 100% Sorbothane material, which is a highly advanced and scientifically proven visco-elastic polymer that is renowned for its exceptional shock absorption properties. This Sorbothane material has been specially engineered to help reduce the impact of recoil forces, which is especially helpful for individuals who need to use firearms frequently or for extended periods of time.

- KICK-EEZ® inserts reduce more recoil and do it better than any other pad
- KICK-EEZ® inserts can be used with any "slip-on" style recoil pad
- Easily adjust length-of-pull by adding, or combining, KICK-EEZ® inserts
- Package includes two-1/4" inserts
