

Complaint form

Before making a complaint

You must give your service provider a chance to fix your problem before you make a complaint to the TIO. Many complaints can be resolved quickly once you contact your service provider.

If you're a residential consumer or small business and you've **already tried to resolve your complaint with your telecommunications provider**, you can make a complaint to us. If you have not tried to resolve your complaint with your provider, you can find their contact details by searching our [providers list](http://www.tio.com.au/who-we-work-with) (www.tio.com.au/who-we-work-with).

Send this form to us

If you have already tried to resolve your complaint with your telecommunications provider, and feel that you have not been able to reach a fair and reasonable resolution, please complete all mandatory fields marked with an *, save this PDF and send the form to us by:

Privacy notice

- We collect personal information about you in order to contact you and handle your complaint. We will share your personal information with the telecommunications providers who can help resolve your complaint. This may include a wholesale provider. These providers may also provide your personal information to us. These providers or their staff may be overseas.
- If you choose to provide us with sensitive information, for example information about your health, you consent to us collecting and disclosing that information unless you tell us otherwise.
- If you choose to remain anonymous or withhold information, we may not be able to handle your complaint.
- With your consent, or by law, we may provide your personal information to government agencies.
- We may also provide your personal information to third parties for the purposes of improving our services. We will only do this in accordance with our Privacy Policy. The TIO does not use personal information it collects for direct marketing.
- You can access and correct personal information that the TIO holds about you and complain about a TIO privacy breach or how the TIO has handled your personal information.
- To find out more, the TIO's [privacy policy](http://www.tio.com.au/privacy) (www.tio.com.au/privacy) explains how the TIO collects, handles and protects personal information about you, including information obtained from your representative.
